Fr. C. Rodrigues Institute of Technology (FCRIT):

Established in 1994 as an extension of the pioneering efforts of the Agnel Ashram fathers, FCRIT stands as a beacon of excellence in technical education. A leading engineering college in Mumbai, FCRIT has consistently achieved at least one university **1st Rank** annually since its first graduating batch. Acknowledged for imparting high-quality value-based technical education, the Government of Maharashtra awarded FCRIT an **A grade** in its first assessment. Notably, four eligible branches received accreditation from the National Board of Accreditation, a testament to its commitment to excellence in technical education. In recognition of its overall excellence, FCRIT was honored with the **Best College Award** in Navi Mumbai under the urban section in the academic year 2020-21. To further promote technological innovation, FCRIT is proud to host a National Level Hackathon on its campus, providing a platform for students from across the country to showcase their skills and creativity.

Organizer: Computer Society of India (CSI), FCRIT:

Welcome to the Computer Society of India (CSI), FCRIT chapter, a club where technology meets innovation and excellence. Committed to collaboration and knowledge-sharing, CSI empowers continuous learning and skill development. With a rich legacy, CSI has been a driving force in technological advancements, showcased through groundbreaking projects and cutting-edge research. Join our vibrant community to thrive in the dynamic world of technology. In the previous academic year, CSI organized Tech Night, a national-level online hackathon, which received overwhelming responses nationwide. Building on this success, we're excited to take innovation to the next level with an offline hackathon. Join us for an enriching experience!

Organizer: Entrepreneurship Cell, FCRIT:

Welcome to ECELL-FCRIT, where the convergence of ingenuity and entrepreneurial prowess becomes a reality. As pioneers in fostering a milieu of originality and astute business acumen, we empower individuals to transform their conceptualizations into successful enterprises. As leaders in cultivating inventive ideation, we enable individuals to transcend the conceptual realm and materialize prosperous enterprises. Our dynamic platform orchestrates synergies, interconnecting nascent entrepreneurs with venerable mentors and essential resources necessary for the zenith of ascendant maturation. Embark on this metamorphic journey, where each cerebral construct crystallizes into a flourishing reality.

ABOUT AGNETHON

Welcome to Agnethon, a 36hrs Hybrid mode coding hackathon by Computer Society of India, FCRIT, in collaboration with Ecell, FCRIT at Father Agnel Technical complex in Navi Mumbai. Get ready for a thrilling coding journey filled with creativity and challenges. Agnethon is more than a hackathon; it's a playground of possibilities. Win exciting cash prizes and goodies while enjoying seamless coding. Join us for an innovative and exciting experience where challenges turn into opportunities. Are you ready to hack your way to glory?

Apply with Devfolio
